- Optional Integrated Barcode Scanner
- Certified for 0-40 degrees Celsius
- IP65 Rated

OUR STORY

Founded in 1996, our focus has remained the same: to provide high-performance, space saving computing solutions, customized to fit all unique environments and computing needs. Throughout the years, we have maintained that focus to provide consistent quality, reliability, and the best personalized support in the all-in-one computing business.

We are the pioneer in high-performance, industrial grade computing technology.
